BUILT FOR ALL-DAY

The S-885 combines the comfort of a sports sneaker with certified workplace protection. Featuring a breathable mesh upper, lightweight composite toecap and flexible anti-puncture midsole, it keeps you comfortable, protected and moving throughout the workday.

- Sneaker-inspired comfort for long hours
- Lightweight composite toecap reduces fatigue
- Breathable mesh upper keeps feet cooler
- Flexible anti-puncture textile midsole
- Slip-resistant outsole for secure footing
- Oil and abrasion resistant outsole
- Shock-absorbing comfort footbed
- Sporty design for everyday work
